Using humor, compassion, and brilliant dancing, Goode draws the audience into a richly textured inner world. Goode has received national recognition for his outstanding work, including awards from NEA and CAC, a prestigious National Dance Residency Program grant, major commissions, and six Izzie awards and a "Bessie" for *Deeply There (stories of the neighborhood)*. Joe Goode Performance Group offers master classes, lecture-demonstrations, and workshops with diverse populations including gay/lesbian teens and young adults, and at-risk populations. Residency activities are tailored to meet community interests.
